

APPEAL NO. 021428
FILED JULY 22, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on May 16, 2002. The hearing officer determined that the _____,¹ compensable injury of appellant (claimant) did not extend to and include an aggravation of the lumbar facet arthropathy, bilateral lower extremities, a psychological injury (depression and insomnia), and/or lumbar sprain/strain. Claimant appealed this determination on sufficiency grounds. Respondent self-insured (carrier herein) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We have reviewed the complained-of determination and conclude that the issue involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determination is not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

¹ Although the decision and order references the date "_____" in several places, the correct date of injury is "_____."

We affirm the hearing officer's decision and order.
